# Bag Closer Stand

Mobile, adjustable stand for Model 872, 873, 893 & 910 narrow mount automatic Kwik Lok machines & Bedford Close-It bag closing machine.

Standard Features:

- 3" casters with lock
- Nickle plated steel frame
- Adjustable for height and tilt

Optional bracket (A) for bag tensioner unit (B).

The closer mounts to the stand with the same brackets as it would mount to a conveyor.

The stand is universal; right or left handed closers can be used.

Optional Yellow Safety Bar
